i-Ready Diagnostic scores by grade: the 2026-27 placement tables

Scale 100 to 800, the same in every grade. Mid On Grade Level is what Curriculum Associates calls grade-level proficiency. Below the Early band the report names the earlier grade the child is working at. Source: Curriculum Associates, i-Ready Inform Grades K-12 Scale Score Placement Tables, 2026-2027.

Placements (the publisher's words): Above = met all the grade's expectations and some from later grades. Late On = met or surpassed the grade's expectations. Mid On = met the minimum requirements; generally considered proficient. Early On = partially met; continued on-grade instruction. One Below = approaching; grade-level work with targeted support. Two or More Below = needs support with key skills below the grade.
